MONDAY

Join us for a nice and easy relaxing night - no loud music, just a friendly environment . We have traditional pub games such as shove h'penny and bar skittles or just come in for the bar banter. It's just a case of coming in and unwind those monday blues.

TUESDAY

Free Pool - our newly re-furbished table is available for all abilities. We would like to develop a team to compete with other local pubs in the area so we need all you budding pool players to come along.

The table is available from 7pm

We also want to tempt you with our Home Cooked Chilli and a Pint whilst playing - a bargain at £4!!

WEDNESDAY

Join Kieran and friends for an acoustic music night from 8.30pm. Bring along your instruments and voices if you would like to join in. The Crown enjoy our "open mic" nights as we all enjoy a good tune. Challenge Kieran and Co with your song choices - if they know it they will play it.

A fun and lively evening for all musical tastes (well most tastes!!)

THURSDAY

Check our gig guide for music on a Thursday evening. We are introducing new acts all the time but on a Thursday the evening has a blues/jazz feel.

Join our Poker team! We have just started playing within The Crown and boast 2 poker tables. We have a novice table so everyone can learn with help always to hand. If Kerry can learn the game anyone can!! (sorry Kerry x)

FRIDAY & SATURDAY

Again check our Gig Guide for acts performing on these evening.

The music ranges from 60's to date, rock to ska, jazz bands to solo artists. Just keep looking for the up and coming Gig dates.

SUNDAY
